Dashboard

Here user can select Lab Tests and repots of patients with their Unique ID.

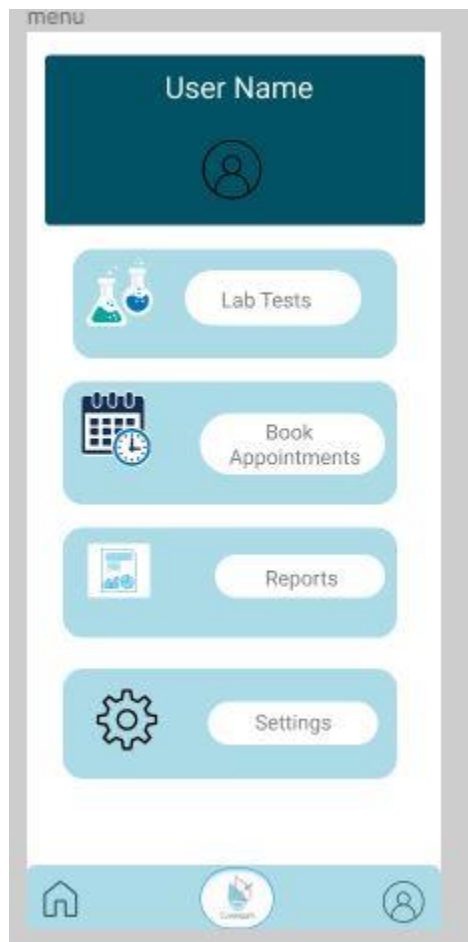

Profile

In profile section user have to their Data (appointments details, Lab Tests, and can view their Previous lab tests reports.

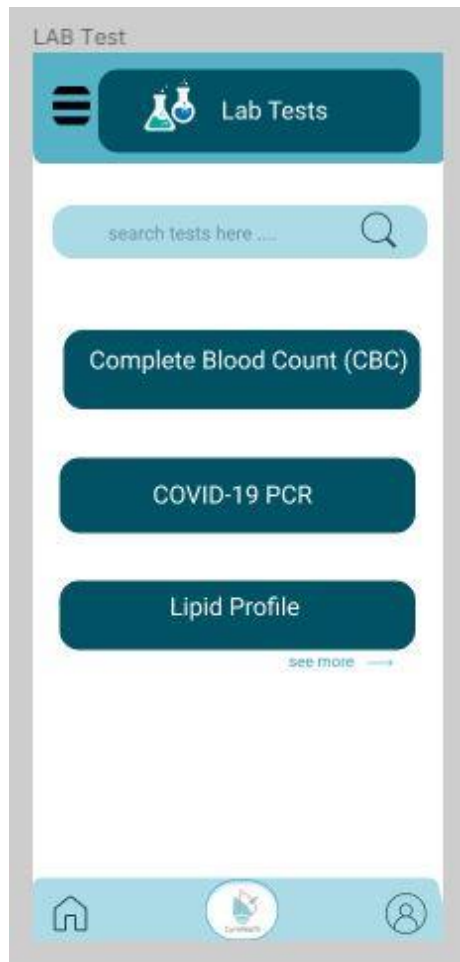

Menu

The menu button in the app will redirect to the menu where user can view lab test categories, Reports and can book appointments and also edit the profile settings at any time.

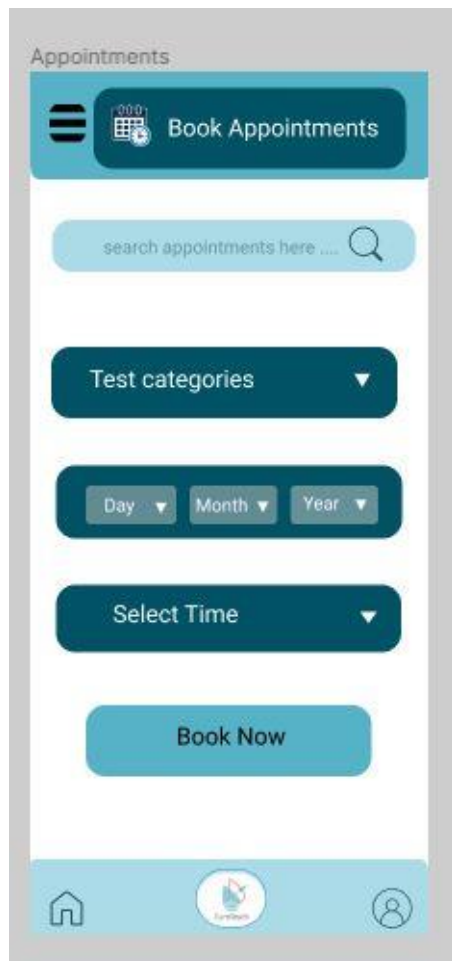

Lab Tests

Lab Tests section allows user to select and search available lab tests.

Appointments

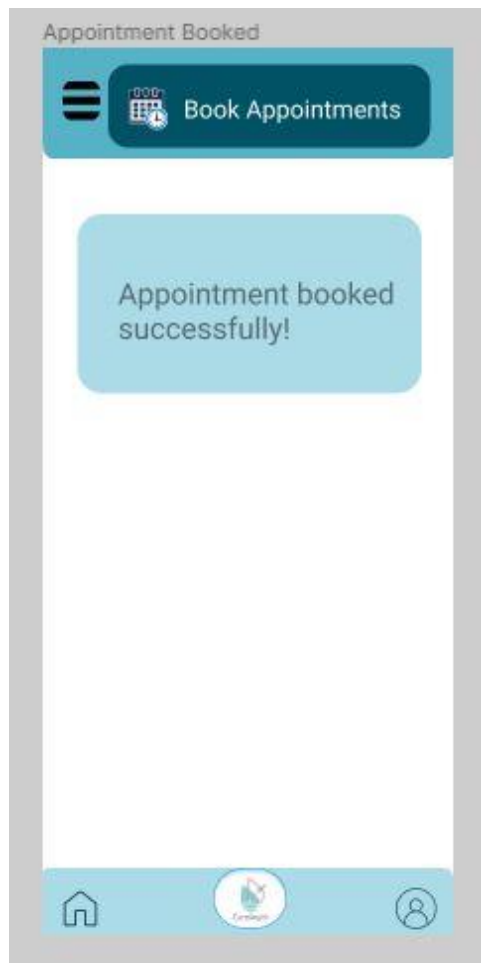

Here user can book appointments for the Lab Tests.

The image shows a mobile application interface for booking appointments. At the top, there is a header with the title "Appointments" and a hamburger menu icon. Below the header is a blue button labeled "Book Appointments" with a calendar icon. Underneath the button is a search bar with the placeholder text "search appointments here" and a magnifying glass icon. Below the search bar is a dark blue button labeled "Test categories" with a downward arrow. Below that is a row of three buttons labeled "Day", "Month", and "Year", each with a downward arrow. Below these buttons is a dark blue button labeled "Select Time" with a downward arrow. Below the "Select Time" button is a light blue button labeled "Book Now". At the bottom of the screen is a navigation bar with three icons: a house icon, a circular icon with a hand holding a pulse line, and a person icon.

Appointments Booked

Here user can see the appointment status if it is booked or not.

Reports List

Here user can view his/her reports of lab tests.

The report of particular test type.
